SUBJECT : Active Caseload of Free-living DP/Refugees
(Letters A, B, C.)

TO : See distribution.

Herewith we forward for your kind attention the first part of nominal rolls showing the active caseload of Free-living DP/Refugees according to our statistical cards. The CM/1 forms are on file in our Documents Control Section.

However, we are aware of the fact that people have moved, married or died without any information coming in to our records office. Some people may also have emigrated from other Areas.

We would appreciate your co-operation in checking these lists against your files and return one copy to our office with your remarks.

We understand that it is a tremendous job, but in view of the fact that we have to identify our caseload, it is very necessary that all inactive cases be eliminated.

Thank you.
